## *My dear friends,*

### *We listened! Here's the action!*

As usual, there is always something exciting popping up in the life of Mothers' Union each year. This is great as it gives us new opportunities to share and celebrate with each other in a rich and inspiring way.

So, 2021 is no different as I introduce to you our brand new inspirational annual *Prayer Diary* which captures the depth of prayers from *Families Worldwide* and merges it with new initiatives; such as additional reflections, and stories of our impact around the world.

Prayer is central to our lives and work, and I recommend this *Prayer Diary* to be a faithful companion in your life as a member and in your commitment to lifting others up in prayer. Keeping it within reach or next to your comfy chair will help you to be more intentional in setting aside time to pray as a global family, as together we experience some of the most profound insights and prayers that will strengthen our connection with God and each other, and encourage our faith.

There's still more news! Following months of research and consultation, a new membership publication has now been developed to serve you all in a new way, providing every member in Britain and Ireland with opportunities to share even more stories of the difference you are making to lives in your parishes and communities, as you motivate and inspire one another to grow God's Kingdom together.

I invite you to join me in looking forward with great anticipation to this new twice-yearly membership publication, which will be released in spring and autumn 2021 and will replace *Families First*. You are receiving this annual *Prayer Diary* at the end of 2020 so we can start 2021 strong

in prayer and togetherness, with hands linked across the oceans and distances near and far.

The work of MU in Britain and Ireland and worldwide is truly amazing, changing lives and bringing lasting transformation. The new membership publication features members and puts their work in the spotlight under our three global themes: peace and safety, self-reliance and gender justice. The COVID-19 pandemic has clearly driven home the importance in these three areas.

There will also be reflective articles such as prayerful pieces and articles from members, leaders and partners of Mothers' Union; updates on our policy and advocacy work; a mini review of the year and maps and graphics to help bring the huge impact members make around the world to life. Of course there will be other bits and pieces that showcase events, encourage others to join, and give ideas for meetings. I believe this new publication will certainly help Mothers' Union to grow and deliver God's work for years and years to come.

My grateful thanks to each and every member and friend for your love and support for *Families First* and *Families Worldwide*; thank you to all who generously contributed to making these publications a pleasure to read and a reason to celebrate the difference Mothers' Union makes; and to faithful staff who worked hard to make it all a huge reality.

The year 2020 has been one of surviving the challenges of the COVID-19 pandemic, finding new ways of working and coping, and recognising that our God is alive and still performs miracles. I pray that 2021 will bring with it bright new beginnings, a renewal and revival in each and every heart, home, community and nation. May 2021 be a year of prosperity as together we rebuild hope and confidence in every sphere of our lives and in our Mothers' Union.

With my love and God's blessings as always,

*Sheran*

# Joined-up prayer

Join Mothers' Union members worldwide as we support families and projects around the globe in prayer.

Prayer is central to our work as Mothers' Union and each day, at midday, members all over the world pause to pray. The Wave of Prayer is a continuous expression of our commitment in prayer to each other, which runs throughout the year and encompasses all the places in which we are represented.

You can use these daily prayers to join this 24/7 Wave of Prayer around the globe, praying for the dioceses in turn. The calendar is divided into three-day sections when we pray for a group of dioceses. On one day of the week there is a Bible verse which you can reflect on and take the opportunity to pray for aspects of the work of Mothers' Union worldwide to which you are drawn at the time.

As we play our part in sustaining the Wave of Prayer, we can do so with confidence, knowing our prayers have meaning and power. We can be encouraged, too, by knowing that throughout the world there are others who, in the same way, are praying for us. And now that the annual *Prayer Diary* is translated into French, Spanish and Swahili it's even easier for us to pray for each other.

We always thank God for all of you and continually mention you in our prayers.

**1 Thessalonians 1:2**

Jesus, Lord of life, by the power of your word and through your actions of love, call us to be your disciples. Give us strength to be different, to stand up for justice and peace and be signs of your reconciling love for all.

God of grace, enable your servants to carry out your mission on earth through the work of Mothers' Union worldwide.

Today we pray for \*

*\*see the Wave of Prayer diary.*

We pray for all members.

May God be with them in every part of their lives, encouraging them and leading them, sheltering and strengthening them so they may work to your praise and glory. Amen

# United in Prayer

January-March

Written by Thembsie Mchunu, Mothers' Union Trustee for Zone E

Scripture: **Where two or three gather in my name, there am I with them.** (*Matthew 18:20*)

Most people from Mozambique, Zimbabwe and other neighbouring countries have been able to support their families with the work that they were doing in South Africa. Since COVID-19, many workplaces have been closed and those workers are not allowed to come into South Africa to look for something else to do.

Even within the country, we are facing a high rate of crime, including robbery, car hijacking, and burglary etc. Young people are looking for ways of gaining an income quickly. In homes there is a lot of financial or material tension which leads to physical and sexual abuse. Life is really difficult in our zone. Communities in Sudan and South Sudan are also facing poverty, which means domestic violence is increasing.

Heavenly Father, we praise your name and worship you as you are still God even in bad times. You taught us that 'the body is united though it is made up of many parts. Therefore if one part suffers, every part suffers with it.' (1 Corinthians 12:12 and 26). As Mothers' Union members around the world, we come united in prayer with your promise that 'where

two or three come together in your name, there you will be with them.' Please heal every human being and reveal that each one of us is made by your image. Lord in your mercy, hear our prayers!

## Prayer points

- The whole world is in turmoil due to COVID-19. Our zone is facing a high rate of unemployment since many workplaces are closed. Please pray for workplaces to reopen safely.
- For those suffering from gender-based violence and domestic violence.
- For crime to decrease in our zone and around the world.

## MU Vicoba Groups

Vicoba is our Credit and Savings programme in Tanzania. We have over 5,000 participants in 218 groups. From the savings that groups have accumulated and the credit that they are accessing from each other, all MU Vicoba groups report that members are primarily using their loans to start small businesses that benefit their families. For example, Daisy is an MU Vicoba group member in the Diocese of Masasi. She used a loan to start a business processing flour. From the profit of her flour business, she was able to start two further income streams – making and selling soap and coconut oil. With Daisy’s increased income, she is able to support her two children with an improved household diet, paying school fees and buying school materials.

Another MU Vicoba member, Helen, from the Anglican Cathedral in Zanzibar, took a loan from her group and used it to dig

a shallow well in her home, enabling her family to simultaneously access fresh water and to start two small businesses – fattening livestock and irrigating short cycle vegetable crops that she sells in the market. Helen and her MU Vicoba group have used the additional income from their businesses to access national health insurance for each group member and their families. Now, Helen can always afford to take her children to the clinic when they fall ill.

Daisy and Helen are just two examples of the many MU Vicoba members that have started businesses, which support their families.

# Power of Prayer

April-June

Written by Kathleen Snow, Mothers' Union Trustee for Zone B

**Scripture: The prayer of a righteous person is powerful and effective.** (*James 5:16*)

One blessing during the COVID-19 pandemic was how our Mothers' Union members came together worldwide through prayer. We prayed for one another on WhatsApp, on Zoom, during Midday Prayers on Facebook and when able to in person, physically distancing and wearing masks. We did what we do best – when we are faced with trials, we pray.

Our prayers do make a difference - God never lets us down. He answers our prayers in his time and in his way. He hears our prayers as we pull our lives together. But we can become distracted from focusing on Jesus when our lives are in turmoil. Peter became distracted when Jesus invited him to walk on water

to meet him. We need to keep our focus on Jesus and cry 'help!' when we are drowning.

Jon, a priest and friend shared with me, 'It's all about Jesus. Jesus is large and in charge and he hasn't left the building'. He reminded me of three things we can do:

1. Pray for direction.
2. Wait for direction.
3. Follow direction.

And leave the rest to Jesus!

---

## Prayer points

- For wisdom and guidance for the people of Brazil and USA, and for their leaders to give good direction in containing and overcoming these grave outbreaks.
- For continued strength of Mothers' Union members in the West Indies and South America as they strive to maintain good health and healthy relationships in their homes and communities.
- For peace, reconciliation and unity in the USA as they struggle with division and polarisation among their people.

## Sunday 28th Palm Sunday

Many who welcomed Jesus with shouts of ‘Hosanna’ did not sustain their joy, as they were influenced by those who did not recognise the love of God. As part of that crowd, may we truly welcome Jesus into our lives and not be led astray by others.

---

## Monday 29th

The Son of Man did not come to be served, but to serve, and to give his life as a ransom for many [paying the price to set them free from the penalty of sin]. *Matthew 20:28 (AMP)*

---

## Tuesday 30th

As Mary anointed Jesus’ feet with her ointment, she was giving Jesus her whole life. Dear Lord, we offer you all that we have, all that we do, all that we say, and all that we think; we submit our lives to you, that we may become more like you, day by day.

---

## Wednesday 31st

As Lent draws to an end, we think of the disciples who went to prepare the Upper Room for your last meal on earth. May we prepare ourselves to receive your salvation, and remember your command to ‘love one another’.

---

---

### Friday 2nd Good Friday

---

### Saturday 3rd

Jesus, as we remember you dead in the tomb, we pray for all who despair, that they may be raised from their darkness into a lightness of life. As we prepare to celebrate your resurrection, may we be renewed in our faith to live a new life with you.

# Our impact

---

## Combatting “holiday hunger” in Down & Dromore, Northern Ireland

Since 2019, Mothers’ Union in the Diocese of Down and Dromore, had planned to get involved in a “Grub Club” during the 2020 Easter and summer holidays by providing a team to prepare and serve hot meals twice a week, to children suffering from “holiday hunger”. Organised by Mount Merrion Church, when the plans had to be altered due to the COVID-19 pandemic, the Mothers’ Union members quickly adapted and offered their support in different ways.

They also supported the project financially through their “Mums in May” fund, which awards grants to support projects in communities across the country. Clare Stewart, Action and Outreach Coordinator, said, ‘One of our objectives as Mothers’ Union is “to promote conditions in society favourable to stable family life and the protection of children”, so when we heard about the “Grub Club” project which Rev Adrian was planning we were very keen to support the project in every way we could.’

Every week during the school summer holidays, a mini-bootcamp and packed lunch giveaway took place instead, on the green in the middle of the estate. Free for all to join and attended by up to 30 people each time in order to abide by social distancing and coronavirus gathering laws at the time.

The project also attracted support from Active Belfast, who provided funding

for the development and production of exercise stop signs that were placed around the green. Three sports coaches, Carl Green from Peninsula Fitness Bootcamps and local volunteers Rachel Colligan and Rachel Warnock, all of whom had already been providing various exercise classes through Mount Merrion Church’s Community Fitness Hub, helped run the bootcamp.

When asked why Mount Merrion Church wanted to provide this service, Adrian said, ‘The “Grub Club” idea and now this mini-bootcamp and packed-lunch giveaway simply reflects our heart for the community we are part of. During the pandemic we have sought to work in partnership with others to provide for the most vulnerable and isolated in the area. It is clear that finances are tight and through the uniform recycling scheme that we are currently running and this weekly give-away, we hope to share something of the love of Jesus in a practical way.’

## Community Transformation through Literacy and Agriculture (CTLA), Democratic Republic of Congo (DRC)

Mothers' Union Democratic Republic of Congo is starting a new three-year project to reduce gender-based violence and poverty through literacy and agriculture training.

Despite a wealth of natural resources, DRC is one of the world's poorest countries. In 2019, over three quarters of its population were estimated to be living below the poverty line. Economic opportunities in DRC are very limited with over 70% of the working population employed within the agricultural sector. Yet with over 80 million hectares of farmland, only 10% is used.

During MULOA (Mothers' Union listens, observes and acts) and through many years of working with vulnerable women, MU DRC identified illiteracy as the main barrier facing vast numbers of communities in moving out of poverty. Lack of basic literacy and numeracy skills prevents them from running their own businesses and income generating activities, and undermines their confidence and ability to engage.

The aim is that within the three-year duration of the project, beneficiaries will improve their literacy levels and agricultural knowledge and skills and start their own business activities. Similar projects have also seen women go on to leadership or decision-making roles at community level.

In order to realise these changes, the project will deliver a programme of literacy, business and agricultural skills training through community-based literacy circles, savings and credit groups and farmers cooperatives for 6,600 people across 12 Dioceses of the Anglican Church of Congo.

In addition to its expected outcomes, the project hopes to contribute to a reduction in sexual gender-based violence at household and community level and improvements in level of basic health, hygiene and nutrition as the content of materials and stories used in the literacy programme promotes better awareness and understanding of these issues. The literacy circles, savings groups and farmer cooperatives offer safe spaces in which people can share their concerns and experiences and learn together without fear of conflict or retribution.

## Sunday 20th Father's Day

We thank God today that he is our perfect Heavenly Father who defends the cause of the fatherless and the widow, and loves the foreigner residing among us, giving them food and clothing. *Deuteronomy 10:18*

---

## Monday 21st

I was a stranger and you welcomed me. Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me. *Matthew 25: 35, 40 (NRSVA)*

---

## Tuesday 22nd

Father God, we remember before you all who have to make decisions on the status of refugees. May they exercise compassion, wisdom and insight as they process applications.

---

## Wednesday 23rd

Lord, you lived as a refugee in Egypt, fleeing from danger and tyranny. May we be a place of welcome to those seeking refuge from those who would cause them harm, destroying lives and livelihoods.

---

## Thursday 24th

We pray for those desperate enough to make dangerous sea crossings in order to escape from hopelessness and find a place of safety. Wherever they land we pray that they will be treated with grace, dignity and compassion.

---

## Friday 25th

We remember children who are growing up knowing nothing but an existence in crowded conditions in refugee camps, who are constantly hungry and afraid. We pray for a time when they can have a normal family life, with a home of their own.

---

## Saturday 26th

Lord we pray for a global response to the refugee crisis to enable those fleeing from danger to be integrated into society where they can work and use their skills to provide for their families. We thank you for the work of Mothers' Union in supporting displaced families to give them hope and a future.

# Persistence in Prayer

July-September

Written by Rev Canon Libbie Crossman, Mothers' Union Trustee for Zone C

**Scripture:** Do not worry about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. (*Philippians 4:6*)

As a young child I asked my mother what prayer was. Her answer has stayed with me, 'Prayer is all of your life.' While it took quite a bit of time to work that one out, my answer now is, when asked, 'Prayer is our conversation with God'. A two-way thing and if I want to maintain my relationship with God, I need to maintain that conversation.

Members from Papua New Guinea are taught from an early age that daily prayer is a part of their lives. In most instances morning prayer from their Prayer Book is a daily ritual. Also at the end of every Eucharist no one moves from the church until the candles are extinguished and it is a time of silent prayer.

Another help to my prayer life was a sermon, still when I was quite young, that included the word ACTS, as a pattern for prayer. Adoration, confession, thanksgiving and supplication – that is praying for our wants and needs. I have used it ever since, I cannot go to sleep without praying with this formula, although nowadays the supplications for myself are often lost as I fall asleep!

So along with regular formal prayers

and essential "arrow" prayers, my conversations with God are regular, with moments all day to hear God, joyful, and, I hope never-ending.

---

# The Joy of Prayer

October-December

Written by Rev Dr Deborah Chapman, Mothers' Union Chaplain for the Diocese of Europe

**Scripture:** Rejoice in the Lord always. I will say it again: Rejoice! The Lord is near. (*Philippians 4:4, 5b*)

I like to think of prayer as becoming one with the heart of God - complete union with him and his loving will for our world. When God's loving heart became flesh in Jesus (Hebrew "Emmanuel" = God is with us!) God drew near to us. And the angels said, 'Do not be afraid.' (Luke 1 and 2)

Zephaniah's prophecy has come true in Jesus. 'The Lord, the King of Israel, is with you; never again will you fear any harm... Be glad and rejoice with all your heart...' (Zephaniah 3:15b, 14b). NEVER is a big word! God does not tell us that 'never again will you suffer harm'. No - he tells us we will never again FEAR any harm.

On quiet days to pray and praise God, leaving everything in his powerful and able hands, I have deep peace and joy. And I become aware of how much God delights in me - I receive the stillness that comes from knowing how much I am loved - I hear him singing, as I sing in praise to him, about how he rejoices in me - not because I am perfect or strong, but because in my imperfection and weakness, I turn to him - God with us! Come!

## Prayer points

- What do you fear? Make a list and offer each one to God in prayer. As you listen to Him, cross out each item and write down what God has put in its place. Savour the joy of freedom from fear and the strength it gives to live life to the full.
- Repeat this litany from Zephaniah 3:17 as a prayer:
  - He is mighty to save
  - He will take great delight in me
  - He will quiet me with his love
  - He will rejoice over me with singing.
- Pray daily for a fresh filling by the Holy Spirit.

# Our impact

## Sewing machines for disadvantaged women in Rwanda

Mothers' Union members in Rwanda have been responding to local needs with health awareness, Savings and Credit groups, peace and reconciliation, support for widows, and vocational skills training.

A particular project, which has helped women in Rwanda to support their families, was boosted by members in Ringmer, Sussex at a Mothers' Union coffee morning. Two members from the Ringmer group, Sue and Margaret, visited the Diocese of Cyangugu, Rwanda in early 2019 and came across a tailoring project which Berthe, the wife of the Bishop of Cyangagu, had started.

Berthe realised that there were many young single mothers abandoned by their families. These women barely had enough to feed their children, earning a few francs by weeding and digging for a neighbour, and most mothers were going hungry in order to feed their children. She decided to set up an MU project to teach these young women tailoring in order to give them skills to earn more money.

The project only had a few sewing machines for the whole group to use and needed more so that they could help more women. The women would then sell what they produced and thereby earn more money, giving them the dignity of being able to feed their family.

Sue and Margaret identified a need to provide more sewing equipment and

education on tailoring. The treadle sewing machines cost £90 and were to be sourced locally, to help support the local economy as well as reducing shipping costs. Ringmer MU decided to hold a coffee morning and raise enough money to buy at least one of the treadle sewing machines they use. The coffee morning was advertised widely and immediately people started to donate, some people even gave enough to buy a whole machine. The final sum raised was £2,000 (or two million francs in Rwanda), far more than the group had dared to hope. Sue and Margaret gave the two million francs into the hands of Berthe and Esther as cash – in a brown paper bag!

## Monday 13th

God wanted his people throughout the world to know the glorious riches of this mystery—which is Christ living in you, giving you the hope of glory. *Colossians 1:27 (GNT)*

---

## Tuesday 14th

Lord, you chose the unexpected to reveal yourself; a lowly stable, a bowl of water and towel and a rough wooden cross. Help us to keep a sense of awe and wonder as we worship you; with praise that you have given us a glimpse of your majesty.

---

## Wednesday 15th

The central miracle asserted by Christians is the Incarnation. They say that God became Man. Every other miracle prepares for this, or exhibits this, or results from this. *C.S. Lewis, theologian, 1898-1963*

---

## Thursday 16th

Father, in a world that looks for evidence and demands explanations for every fact and assertion, we pray that you will open hearts and minds to explore the wondrous mystery of your plan of salvation and be ready to acclaim you as their Lord.

---

## Friday 17th

We look back at the mystery of how the majesty of the Lord of heaven and earth was distilled into the frailty and weakness of a tiny baby, and left in the care of a hostile world. We look forward to his coming again in majesty, to a world which will not fail to recognise him.

---

## Saturday 18th

Take time today to pause in the midst of the busyness of the season and ask God to open your eyes to see fresh insights as you ponder anew the wonder of the Nativity.

---

## Monday 20th

All this took place to fulfil what the Lord had said through the prophet: 'The virgin will conceive and give birth to a son, and they will call him Immanuel' (which means 'God with us'). *Matthew 1:22-23*

---

## Tuesday 21st

Lord, forgive us for the times when we seek to exclude you from a part of our lives or a situation we face. As we prepare to celebrate the birth of Immanuel, we actively open our whole being to your loving presence.

---

## Wednesday 22nd

God simply told us to think of Jesus as Immanuel, which means 'God with us.' How amazing that one of the main ways God wants us to think about the person of Jesus is as 'a sharing, an embrace of life by Life, a total identification of God with the object of his love.' *Holly Sprink, author*

---

## Thursday 23rd

We pray for all who feel lonely and isolated, particularly in this festive season. May they know the joy of Christ with them, giving them value, companionship and love.

---

## Friday 24th Christmas Eve

'Glory to God in the highest heaven, and on earth peace to those on whom his favour rests.' In wonder and faith this night we listen to hear the angels proclaim anew their good news of great joy for all the world. We prepare to bow down and worship the new born Christ.

---

## Saturday 25th Christmas Day

Christians, awake, salute the happy morn whereon the Saviour of the world was born. Rise to adore the mystery of love which hosts of angels chanted from above. *John Byrom, 1691-1763*

---

## Monday 27th

The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the One and Only, who came from the Father, full of grace and truth. *John 1:14*

---

## Tuesday 28th

As we remember that there was no room at the inn for the Christ child, we pray for the homeless, the destitute and the dispossessed across the world. We give thanks for all who supply provisions and shelter for them and pray for permanent solutions to be found for their needs.

---

## Wednesday 29th

Christmas is a gift of love wrapped in human flesh and tied securely with the strong promises of God. It is more than words can tell, for it is a matter for the heart to receive, believe and understand. *Source unknown*

---

## Thursday 30th

We pray for all who have celebrated this Christmas without celebrating Christ. May the coming year be the moment when they become much more aware of the love of God for them. Amen

---

## Friday 31st

Faithful Lord, we stand at the crossroads between the old and the new and pause to thank you for all the blessings of the year past – and for the promise of your continued presence throughout the year to come. Whatever lies ahead, we put our hand in yours, with hope and confidence.

# The Mary Sumner Prayer

All this day, O Lord,  
let me touch as many lives  
as possible for thee;  
and every life I touch,  
do thou by thy spirit quicken,  
whether through  
the word I speak,  
the prayer I breathe,  
or the life I live.

Amen.
