

Mothers' Union Prayer Diary for November

The first week in November we remembered the souls of those we have loved and have past from this life to their eternal home, we gave thanks for those whose lives have touched ours and for all they meant to us. At this time of Remembrance we give thanks for those who have fought for our country in war, those who died and those who were injured, we will remember them.

12th We pray for all attending the Provincial Conference, may the Holy Spirit guide and bless all they say and do.

13th -16th at this time of uncertainty in our country let us pray for our politicians that they may lead through discernment and wisdom and have a mutual respect for each other's views and grant that all who stand for parliament will seek to serve the common good, through him who came not to be served but to serve.

17th Second Sunday before Advent, Lord God you are always with us in the sunshine and storm, in light and in dark, in trouble and in joy let us put our trust in you.

18th The trustees meet today, we give thanks for the love and commitment that Jane and her team give to the work of the Mothers' Union.

19th – 23rd As members of the Mothers' Union may we show the light and love of Christ in every aspect of our lives. May we see Jesus in the people and places we see day by day and give thanks that Jesus knows

each one of us by name and he loves us individually and unconditionally.

24th Jesus Christ, you are the King of Glory, the eternal Son of the Father may we welcome you into our lives and seek to do your will.

25th We give thanks for our indoor members remembering the service that they have given through the past years, may we not forget them and keep them close to our heart and in our prayers.

26th We pray that children may be loved and nurtured in peaceful homes as we also remember those who live with abuse. We give thanks for MU parenting groups, Coffee tots and Parents and toddler groups.

27th We give thanks for the AFIA programme that enables some of our most deprived families to take a holiday; and also the Coventry City Mission, for Darren as he collects Toys for the most needy children in the City for Christmas and plans events and meals for the lonely and elderly.

28th We pray for Mothers' Union world wide and especially for our overseas links in South Sudan, Tanzania, Nigeria and the Cuttack Diocese in India.

29th For unity, within our churches, our families and friends, our communities, and pray that we will reach out into the wider community to spread the love of Jesus to any who will receive the true message of the Christ child this coming Christmas.

30th Father God help us to prayerfully prepare ourselves for the season of Advent and within the business of this time of year may we find time to be still in your presence. To give ourselves and our love to you as you first loved us, and gave your life for each one of us. Amen
